From January 12, 2024 to February 28, 2024 at 12:00 noon

② How to apply

Apply from Applicant's Page of the exam announcement site of Japan Association for Construction Human Resources.

* ID registration to Applicant's Page is needed before the application.

* It is necessary that the examinee oneself has one's ID registered on Applicant's Page.

*To apply for this exam, use the smartphone app "JAC ExamForm". Applications cannot be made from PC. Please install the smartphone app in advance. Please refer to the following page for how to operate the application.

<https://ssw.jac-skill.or.jp/news/how-to-jacexamform.php>

*Please log in to Applicant's Page from your smartphone browser and click the application link for this test to apply. It is also possible to log in to Applicant's Page after launching the app.

*If you have a residence card, your name, etc. will be read automatically. If you use other methods, your name must be spelled the same as on your residence card or passport. Please enter in capital letters.

* The face photo used for the pass certificate will be taken with a smartphone app. When shooting, use a white wall as the background and be careful not to include other objects in the photo.

* Photos that are out of focus, photos with shining glasses, photos with objects in the background, photos that are not looking straight ahead, and photos that have been processed will not be accepted.

* A valid residence card or proof of correct residency is required.

* When showing the validity with the period of stay renewal permission sticker attached to the passport, the hole letter of the passport number on each page can be identified by taking a picture of the entire passport

page so that it can be seen that the passport is the same as the person's column of the passport. Please make sure that they are the same.

* For passports such as Vietnam and China that do not have a hole letter of the passport number, bend the page so that the identity field of the passport and the page of the residence permit sticker appear at the same time, and take a picture of the entire passport.

* We will not accept photos of residence cards and passports that are too small to be identified, or those that are shining on the face of the card and cannot be identified.

* A copy of the residence card cannot be confirmed to be the same person as the face photo, so please take a photo of your residence card and send it.

9. What to bring on the day

① Certificate

- Residence card (In case of a resident)
- Passport (In case of a temporary visitor)

*Certificate must be real. Copies will not be accepted for the exam.

② Admission ticket

It will be sent as a PDF file to your applicant's page, so please print it out or show it on your smartphone screen on the day.

③ Exam fee ¥2,000 in cash

* If you do not bring these on the day, you will not be able to take the test.

* You must not lend or borrow goods with other examinees. Please prepare by yourself.

*The reception time will be specified for each examinee. You must arrive at the designated time to be able to register. If you are late for the reception time, you will not be able to take the test.

10. COVID-19 infection prevention measures

① Measure your temperature on site, You can not take an exam, if it is over 37.5°C.
