8. Application for Exam

① Reception period

From October 27 to November 10 at 12:00 noon, 2021

② How to apply

Apply from Applicant's Page of the exam announcement site of Japan Association for Construction Human Resources.

<https://jac-skill.or.jp/member/home/>

* ID registration to Applicant's Page is needed before the application.

* It is necessary that the examinee oneself has one's ID registered on Applicant's Page.

* Please apply from the link displayed on Applicant's Page.

* Please enter your name in uppercase letters with the same spelling as your residence card or passport.

* The face photo used for the certificate must be taken within 3 months and clearly shown, and must be at least 600 vertical x 450 horizontal pixels or more in size, facing the front, and without a cap or hat, and no background. It is necessary that the face part is large enough even if it is trimmed. You can use a photo taken with your smartphone against a white wall background.

* You will need a photo of the front surface of your valid residence card or

something that shows that you are properly resident. You do not need a photo of the back of your residence card. When showing the validity with the period of stay renewal permission sticker attached to the passport, the passport number of each page can be identified by copying the entire passport page so that it can be seen that the passport is the same as the person's column of the passport. Please make sure that they are the same.

* Please note that we will not accept a photo of your face with shining glasses, a photo of your residence card / passport that is too small to distinguish, or a photo of your card that is shining and cannot be identified.

9. What to bring on the day

① Certificate

- Residence card (In case of a resident)
- Passport (In case of a temporary visitor)

② Admission ticket

It will be sent as a PDF file to your applicant's page, so please print it out or show it on your smartphone screen on the day.

③ Exam fee ¥4,000 in cash

④ Clothing suitable for practical skills test work

⑤ Work shoes

⑥ Work gloves

⑦ Helmet or Work cap

⑧ Writing utensils

10. COVID-19 infection prevention measures

① Measure your body temperature on site. You can not take the Exam, if it is over 37.5°C.

② At the exam site, you must wear a mask for preventing COVID-19.

③ In addition, you must follow the instructions of the local Exam venue.

11. Safety implementation in the practical skills test

Practical skills tests are conducted as work tests, which is potentially dangerous. If the grader determines that the test cannot be performed safely, including clothes and safety equipment, the test would be stopped to prevent accidents. Be sure to follow the grader's instructions. In that case, it will be judged as

unsafe behavior and you will fail in the test. Please note.

12. Preparation before taking the exam

As a preparation before taking the Exam, we recommend that you watch the practical skills test video and carry out the CBT operation trial of the theoretical test in advance.

- CBT operation trial

<https://jac-skill.mc-plus.jp/exam/trial/>

13. Announcement of result

It will be done individually on applicant's page within two weeks after the Exam. If you pass, a certificate of specified skills as a PDF file will be sent to your applicant's page. The PDF file is the original as your certificate, so please keep it in a safe place.

Only the number of applicants, the number of successful applicants, the percentage of successful applicants will be disclosed on the website of Japan Association for Construction Human Resources. And the pass / fail status of each individual will not be posted. In addition, we cannot respond to inquiries about the content of exam questions or individual pass / fail status.

14. Supplementary theoretical test

In this test, the supplementary theoretical test will be conducted for those who exceeded the reference point in the practical skills test but did not meet the reference point in the theoretical test. A certificate of specified skills will be issued to those who exceed the reference point in the supplementary theoretical test. No additional exam fee is required.

The supplementary theoretical test will be held on December 16 Thursday, 2021 at the Japan Association for Construction Human Resources. We will send the test information to those who are eligible for the supplementary theoretical test, so if you wish, please apply for the supplementary test. The application method will be announced in the supplementary test information.

As with the main test, the results will be announced individually on applicant's page about two weeks after the supplementary test.

15. Others

Due to the spread of COVID-19 infection, the exam may not be possible. After applying, notices may be sent to your applicant's page, so please check carefully until the test date.

16. About personal information

The personal information required for this examination will be used for this examination and for the issuance of a certificate. The information may be provided to the facility manager of the test venues when it is necessary to implement the countermeasures against COVID-19. In addition, it may be provided if requested by the Ministry of Land, Infrastructure, Transport and Tourism of Japan.
